Compiled By	Will Martin, Joshua Johnson	The Westminster Confession	WCF	There are 4 (four) bible readings a day. In the M'Cheyne plan, these are separated into "Family" and "Private." We decided not to make these separations, as most of the audience using this plan probably doesn't engage in family worship, simply due to age and circumstance. If you do engage in family worship, we would recommend that you do one of the columns in family devotion, and one in private. M'Cheyne, in his plan, has what we called the 'Old Testament' as the Family reading.

		Directory for the Publick Worship of God – The Westminster Standard	DPW	You will read the entire bible in a year by following this plan, as well as every major reformation document that we could fit into the plan. This reading is quite extensive, so we recommend that you don't do all of the reading in one sitting, but rather separate it into morning and evening, or any other plan that works for you.
